Colonel Charles F. Craig
Deputy Chief of Staff
U. S. Armed Forces
Middle Pacific
Fort Shafter, T. H.

Dear Colonel:

Please accept my apologies for not having written earlier. I found myself completely swamped with work upon my return to my office and, in addition, have been almost under the weather for a few days.

First off, the numbers of the orders which you asked me about are as follows:

Co. "E" War Dept. General Orders #50, dated 17 June 1944

Co. "F" War Dept. General Orders #50, dated 17 June 1944

(The Headquarters Co. also received a citation, I am sure, but I have been unable to find it in my files thus far. It should be located in the War Dept. General Orders file sometime after 17 June.)

It was indeed a real pleasure to see you again and I certainly want you to know that I appreciate immensely the reception and treatment which I was accorded while at Hawaii. I enjoyed very much being in your home and meeting your very charming wife.

We are indeed most grateful to your Headquarters for the splendid support we are receiving for our Foreign Broadcast Information Service in Hawaii. As I told you while there, the only thing which we could ask for, which we are not receiving, is better communications service, and I fully understand all the obstacles confronting Col. Miller in this connection. I am sure that he will do whatever he can to improve the service and I fully recognize the fact that supporting us from such a distance makes it most difficult to insure uninterrupted communications.

I have not seen many of our mutual friends since my return. Among those I have seen are Lt. Col. Davis whom you will remember as the Headquarters Commandant at Division Headquarters. He is a student at the Army Industrial College and tells me that in his physical examination for entrance into the Regular Army it was discovered that he had heart trouble of some kind, and he is scheduled to appear before a Retirement Board in the not too distant future. has returned to active duty as a Major and is assigned to the Office of the Chief of Chaplains here in Washington.

Again, thanks a million for all you did for me while I was in Hawaii and if there is anything at all I can do for you in Washington, please do not hesitate to let me know.

Sincerely,

L. K. WHITE
